Did you know? Denisa is the Restorative Action (RA) facilitator in ATS this year and has already facilitated a number of learning circles with youth in the school! She has also provided several tips and strategies for discussions to start having with your teens which we will share each week. **Weekly Tip #1:** Remember that "all behaviour has meaning". Take a pause to think about what is really behind a young person's behaviour can go a long way to working through an issue. Listen and be curious in conversation.
