Grads- listen up! It's time to sign up for your prom table. Before signing up, talk with your friends and decide which 10 people want to sit at a table together. Once you have your list of 10 people, have ONE person fill out the form on the Grad Teams and sign up all 10 people. If you cannot find a group of 10, you may sign up for smaller groups, but we may need to combine some smaller tables. This must be complete today! Don't forget - if you are wanting to bring a guest to prom who is not in your grad class, please see Mrs. Toews for a guest form. All forms are due by the end of the day next Monday.

This week Gr. 4's and 5's from South Poplar Traditional Elementary and King Traditional Elementary visited ATS for their Spring transition visits. Student were given an ATS TITANS t-shirt upon arrival to wear for the day. Gr. 7 WEB leaders brought groups around to our explorations classes: wood/metal shop, cooking lab, art room, and band room. The Gr. 5's will meet these WEB leaders again in our August Where Everyone Belongs (WEB) transitional day. Students worked on hammering skills, added dressing to veggies, built puzzle bugs, and learned about and practiced with some of our band instruments. ATS looks forward to hosting our feeder schools in the Fall. Thanks to all the teachers and parents from both schools who attended. And a big thanks to the ATS teachers who released students from classes to participate in our event and to the WEB Leaders themselves!
