

TITAN TIMES

To all the amazing ATS families in our Traditional community:

In case you haven't heard by now, this will be my last year at ATS. I have been here at ATMS, ATSS, and now ATS for the past 8 years. Time sure goes fast! It has been my pleasure to be the Principal here helping you bring up amazing students and graduates in the Traditional system. I am changing schools to Clayburn Middle School for next year. I will miss everyone greatly. Replacing me will be Jasbir Singh, most recently Principal at Abby Middle. Below is an introduction from Mr. Singh.

Mr. Reg Gabriel

Dear ATS Community,

I am thrilled to introduce myself as your new principal, Jasbir Singh, starting this September. As I embark on this exciting journey with you, I am eager to meet each one of you and your wonderful children. Together, we will strive to create an environment that fosters success for our students at ATS and beyond.

A little about me - I am blessed with an incredible wife and three beautiful daughters who are my world. My journey in education has been diverse and enriching. Prior to joining the ATS family, I had the privilege of serving as the principal at Abbotsford Middle School and Chief Dan George Middle School. I have also had the opportunity to teach at both middle and high school levels.

What I value most in education are the relationships - with students, teachers, and families. It is these relationships that form the foundation of a strong educational community. I am thrilled about the opportunity to serve the ATS community and look forward to building these relationships with all of you.

Thank you for welcoming me into your community. I am excited about the journey we are about to embark on together!

With humility and anticipation, Jasbir Singh
