

TITAN TIMES

To all the amazing ATS families in our Traditional community:

In case you haven't heard by now, this will be my last year at ATS. I have been here at ATMS, ATSS, and now ATS for the past 8 years. Time sure goes fast! It has been my pleasure to be the Principal here helping you bring up amazing students and graduates in the Traditional system. I am changing schools to Clayburn Middle School for next year. I will miss everyone greatly. Replacing me will be Jasbir Singh, most recently Principal at Abby Middle. Below is an introduction from Mr. Singh.

Mr. Reg Gabriel

Dear ATS Community,

I am thrilled to introduce myself as your new principal, Jasbir Singh, starting this September. As I embark on this exciting journey with you, I am eager to meet each one of you and your wonderful children. Together, we will strive to create an environment that fosters success for our students at ATS and beyond.

Thank you for welcoming me into your community. I am excited about the journey we are about to embark on together! With humility and anticipation, Jasbir Singh

PHE 9/10 classes have been working on creating and presenting minor games. Some great creativity and leadership has been shown by students in this unit.

Congratulations to the ATS Secondary Track and Field team who completed their season May 23-24th at the EVAA Championship at Rotary Stadium.

The team competed in 5 meets this season. Over the season, 3 new school records were set!

Jr. Boys Discus- Aaron R- throwing a distance of 17.63m.

Jr. Boys Shotput- Karman B- throwing a distance of 9.13m.

Jr. Boys 4x100m Relay- Karman B, Armann B, Enzo G & Aaron R- 58:07.

Well done all team members! This was a hardworking and enthusiastic group of athletes who were a pleasure to work with! Looking forward to next year's season! -Ms. Hunt
