

TITAN TIMES

A big thank you to our local companies who provided balloons and flowers for decorating the Grand March and at Prom last night. We have Elevated Balloon Company, Shawna and Sharan who did the balloons for Grand March and to Buckerfields Paige and Tammy who donated just over \$1500 in plants and trees. Please consider them for your party needs!

Reminder that today was the last day to check books out from the library and that all books are due back on Monday. If you are using a textbook in class, those are not due yet and your teacher will collect those later.

As we find ourselves now in the last month of school, with the end of the school year seeming so close, I want to remind everyone to keep focused (or keep your children focused) on steady attendance and steady hard work to see everyone successfully to the end. There's still lots of work to do. In particular, many Grads are trying to keep their marks high for post-secondary admission. If there are excused absences, please continue to use the attendance app ([School Messenger](#)) and continue to read email from the school that might get sent home about lates or absences. When students keep a consistent routine of attending school and scheduling their appointments outside of school hours whenever possible, their performance will be better. - Mr. Gabriel

Yesterday, June 6th, we hosted prom for the graduating class of 2024! It was a fabulous evening with beautiful weather and stunning graduates. We want to extend a big thank you to the parents who decorated the gym for grand march, for the many teachers who attended and supervised, and to the administrators who hosted the event. It was a wonderful event that could not have happened without the many who volunteered their time - from organization, décor, traffic control, to people control and all the details in between. A special shout out to Mrs. Dueckman, who took the reins on prom this year. We appreciate all that you did (and are still doing) for our grads. Thanks again to all. It was an incredibly fun evening. Congratulations to the grad class of 2024!
