

# TITAN TIMES

**Scent Safe Environment** - In an effort to keep our school safe for all of our staff and students, please keep scented product use to a minimum. Perfumes/scented products should not be applied in the hallway or classroom and they are strictly prohibited in the hallway and classrooms on the south side of the school (between the office and band room).

**Christmas Toys for Tots Drive**

Bring your donations of new or gently used toys in good condition to bring joy to children in need. Your generosity can make a big difference in brightening the holiday season for these families! Please drop off toys at your Block B for 9-12 students or your homeroom for 6-8 students. There will be a pizza party for the class with the most points collected. Donations are open now until December 13.

Starting December 2, raffle tickets will be sold during the first 20 minutes of lunch in front of the office and the MPR. Tickets will also be sold online on school cash online. You will have a chance to win a gift basket filled with candy, gift cards, and other items. All proceeds will be donated towards providing for our sponsor family.

STEM Club Executive and Drone Team leads met with Lawrence Reeves, coordinator for the CANSAT challenge our club is taking part in. He came by Wednesday to give an overview of the challenge, what is involved for students, and the opportunities available for students who engage with challenges like this.

**Teen Grief Peer Support Training** is a 20-hour training program that has been tailored to provide grade 11 and 12 students with a basic introduction to grief; loss; and practical hands-on skills, knowledge, and strategies to provide peer support to grieving children and teens. Following the training, students are equipped to volunteer in some capacity at Abbotsford Hospice Society. The training and volunteer opportunities may be used to satisfy the Career Exploration component of the Career Life Connections course. Please connect with your Ms. Putman if you wish to join this training.

Come out on to Mr. Currie Room @ lunch next Wednesday Dec. 11th for a festive Gift Wrap Relay. Bring Your friends and have a chance to win a prize. This event is 9-12 only.

Grad lanyards are now for sale! Grads can order them on SchoolCashOnline for \$7 each. There are 60 available, so order one ASAP if you want one! First come, first served.

Make sure to follow the Titans Counselling Instagram for information about universities, volunteer opportunities, and more!
