

# TITAN TIMES

**Scent Safe Environment** - In an effort to keep our school safe for all of our staff and students, please keep scented product use to a minimum. Perfumes/scented products should not be applied in the hallway or classroom and they are strictly prohibited in the hallway and classrooms on the south side of the school (between the office and band room).

**Raffle tickets** will be sold during the first 20 minutes of lunch in front of the office and the MPR until December 17. Tickets will also be sold online on school cash online. You will have a chance to win a gift basket filled with candy, gift cards, and other items. All proceeds will be donated towards providing for our sponsor family.

**The new procedure** in the South parking lot is working well after school. Please continue to park in a parking space while waiting for your student. This has made the parking lot a lot easier to navigate during the busy after school period. Thank you for you help keeping our students safe and the traffic moving.
