

TITAN TIMES

Student Traffic Safety - Please drive slowly in and out of the driveways, in the parking lot, and in front of the school property. Students use the sidewalks, crosswalks and parking lot regularly and their safety is our highest priority! When picking up and dropping off students, it is important that the crosswalk in front of the academic wing parking lot is kept clear at all times. Please do not stop your vehicle while in this space.

Grad Cruise is on Monday. All Grads please arrive by 3:30 for security check in and to board the buses.

If your child has missing permission forms they are posted on SchoolCashOnline. Please complete these ASAP. Students cannot join their classmates in a block walk, use their computers at school or have their photo in the yearbook if these forms are not complete!
