For the next two weeks, our focus will be on the teaching of **Truth (Debwewin)**, represented by the **Turtle**.

At Abbotsford Traditional School, we connect this teaching to our **TITAN values of Integrity and Responsibility**. Truth encourages students to live authentically and be true to themselves and others. It also calls for responsibility in acknowledging facts and aligning actions with beliefs.

Example for students:

Being yourself even when peer pressure encourages you to act differently.

We invite you to talk with your child about what Truth means to them and how they can practice it in their daily lives—at school, at home, and in the community.

Reminder - Personal Digital Devices:

Earbuds are personal digital devices and as such are not permitted during instructional time - and what's more they only work in conjunction with a secondary personal digital device
