**Parent parking considerations:** On Monday (or the next open school day) during registration, there will be several additional vehicles in the parking lot closest to the office. Please take this into consideration when dropping off your students. You may want to consider dropping them off early (they are welcome to come inside and sit in student lounge until classes start). You could also park on one of the side streets a short distance away from the school and have your student walk to the school.

We are excited to share that our school will be launching a Breakfast Program in the MPR beginning Monday to support students who may arrive at school hungry. The program will run daily from 7:45–8:10 a.m. and will operate in a simple grab and go format, allowing students to pick up a quick, nutritious item on their way to class. Our goal is to ensure every student starts the day feeling ready to learn. If you feel this would benefit your child, please encourage them to stop by in the morning. There will be an open gym for any girls from grade 6-8 every Monday (except holidays) from 6:30-7:30 pm. There is open gym basketball games for grade 7 boys who are not on the competitive team at lunch every Wednesday after the eating period. See Mr. Heppner if you have any questions.

We are pleased to announce the launch of a Homework Club available to all middle school students after school each day.

Details: 2:35–3:05 PM daily in the library

Support: An Education Assistant (EA) will be present to support student learning

Students may use this time to: Work on homework, catch up on assignments, read quietly or engage in another quiet, independent activity. Homework Club is intended to provide a calm, supportive space for students to build positive work habits and complete learning tasks at the end of the school day.
