As of Monday, Feb 9 the library will not be loaning chargers to students. Students must bring their own chargers. Any outstanding loans (students who currently have a charger signed out) will have a fee added to their School Cash Online if they have not yet returned it.

This past weekend our wrestlers attended the Port Alberni Wrestling Tournament. Rabia received a bronze medal and Mehar took home the gold! Congrats!

We are pleased to announce the launch of a Homework Club available to all middle school students after school each day.

Details: 2:35–3:05 PM daily in the library

Support: An Education Assistant (EA) will be present to support student learning

Students may use this time to: Work on homework, catch up on assignments, read quietly or engage in another quiet, independent activity. Homework Club is intended to provide a calm, supportive space for students to build positive work habits and complete learning tasks at the end of the school day.

HUGE congratulations to the Grade 8 Boys for winning the City Finals! This is the first time in history that our Grade 8 Boys have won this banner!!! Next week they are off to the Eastern Valley's! Keep it up boys!

Congratulations to our top library patrons of January: Yvtaz T, Ivana H, Japsimrat S, Armaan S, Aarav P, Kudrat K, and Gurnoor M. Stop by the library to choose your prize, readers! And also congratulations to our top middle school homerooms of January: Newcomb for 6, Heppner for 7, and Dunton for 8s.

We are excited to share that our school has launched a Breakfast Program in the MPR beginning Monday to support students who may arrive at school hungry. The program runs daily from 7:45–8:10 a.m. and operates in a simple grab and go format, allowing students to pick up a quick, nutritious item on their way to class. Our goal is to ensure every student starts the day feeling ready to learn. If you feel this would benefit your child, please encourage them to stop by in the morning.

For the next six weeks, our school will be focusing on the **Grandfather Teaching of Love** symbolized by the **Eagle**. Students will explore what love looks like through kindness, caring actions, and treating themselves and others with respect. We look forward to supporting this learning together as a community.
