

TITANS

School Wide Announcements

- The library will not be loaning chargers to students. Students must bring their own chargers. Any outstanding loans (students who currently have a charger signed out) will have a fee added to their School Cash Online if they have not yet returned it.
- Our school has launched a Breakfast Program in the MPR to support students who may arrive at school hungry. The program runs daily from 7:45–8:10 a.m. and operates in a simple grab and go format, allowing students to pick up a quick, nutritious item on their way to class. Our goal is to ensure every student starts the day feeling ready to learn. If you feel this would benefit your child, please encourage them to stop by in the morning.

LAST CALL FOR YEARBOOKS!

- This is your final chance to purchase a 2025–2026 ATS Yearbook—order by February 25, 2026, as sales will close after this date and no additional copies will be available, so be sure to get yours on SchoolCash Online today.
- We want to thank Northview Church for providing a selection of delicious homemade muffins and pancakes for our breakfast program.
- Our Seniors Boys' Basketball team is in the Eastern Zone Championship this weekend after a thrilling buzzer beater victory last night. Come cheer our boys on Saturday at 7:30 pm at Columbia Bible College in the finals.

Middle School News (Gr. 6–8)

We are pleased to announce the Homework Club is available to all middle school students after school each day, in the Library from 2:35 pm –3:05 pm daily.

Grade 8 Boys' Basketball team have won the Eastern Zone Championship and are playing next week at GWG Graham in provincial tournament. Please come out to support the team as they chase a provincial championship. Go Titans!

Secondary News (Gr. 9–12)

Hello Grads, This is a reminder that your Abbotsford Community Foundation scholarship applications are due by Friday, February 27th at 3:00PM. Please ensure you print the attached checklist to indicate which scholarships you are applying for. There's lots of money up for grabs so make sure you apply. I encourage you to hand your application in before the deadline. There will be no extensions to the deadline. If you haven't done so yet, make sure you reach out to your references for your reference letter by the end of the week. Your references need some time to write

“Grads! Dry Grad is on March 6th at the ARC. Tickets are available through School Cash Online. Make sure to get your tickets!”
