School Wide Announcements

- The library will not be loaning chargers to students. Students must bring their own chargers. Any outstanding loans (students who currently have a charger signed out) will have a fee added to their School Cash Online if they have not yet returned it.
- Our school has launched a Breakfast Program in the MPR to support students who may arrive at school hungry. The program runs daily from 7:45–8:10 a.m. and operates in a simple grab and go format, allowing students to pick up a quick, nutritious item on their way to class. Our goal is to ensure every student starts the day feeling ready to learn. If you feel this would benefit your child, please encourage them to stop by in the morning.
- We want to thank Northview Church for providing a selection of delicious homemade muffins and pancakes for our breakfast program.
- Reminder to the parents: Parking and leaving your vehicle in the Fire Lane/bus lane is prohibited. This refers to entire length of the curb in front of the office side of the school. This area must be kept clear so that our buses can get in and out and in case of emergency. Vehicles parked in this area may be subject to being towed.
